This representation letter is provided in connection with your audit of the financial statements of the City of Tyler, Minnesota, which comprise the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information as of December 31, 2025 and the respective changes in financial position and, where applicable, cash flows for the years then ended, and the related notes to the financial statements, for the purpose of expressing opinions as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material.
